

By placing a bid on any lot in the above mentioned sale you are implicitly agreeing with the following
Specific Auction Terms and Conditions

Bidding time extension:	Bidding time for an item shall be extended automatically by 2 minutes, if a bid is made up to one minute before end of bidding time.
Buyer's premium:	Buyers will be charged a commission on the respective highest bid. The amount may vary depending on the item and project. On the item details page you will find the respective buyer's commission.
Minimum Prices:	For some lots of the auction minimum prices have been set! Should the minimum prices not have been reached, the seller of these items will be informed about the highest bids after the end of the auction sale. He will then decide whether the lots will be sold for the prices realized. If the seller agrees to sell an item to the highest bidder despite of the fact that the reserve price was not met, the potential buyer will be informed of the decision within two days from the auction's end. The highest bidder shall remain bound by his bid, regardless of whether or not the contact has been established up to 48 hours after the end of the auction containing the item for which the bid was made. If a lot should not have met the minimum price yet, this is mentioned in the bidding box.
VAT Austria:	Buyers from Austria have to pay the Austrian VAT.
VAT for EU states excluding Austria & non-EU states:	<p>Purchasers from EU countries without a valid VAT ID will receive an invoice with the Austrian VAT applicable at the time of invoicing. No refund of the paid VAT by Surplex will be possible in this case.</p> <p>Purchasers from EU countries with a valid VAT ID as well as purchasers from non-EU countries will be issued with an invoice including a deposit equal to the Austrian VAT applicable at the time of invoicing. A refund of this deposit is only possible if the necessary export (delivery to a third country) or Transfer documents (delivery within EU) are made available within 2 weeks after invoicing (copy of original).</p>
Information on deliveries in the EU:	<p>The deposit will only be reimbursed if an officially confirmed VAT identification number registered in the VAT Information Exchange System (VIAS) is provided and after receipt of proper proof of shipment.</p> <p>1) ORGANISED & COMMISSIONED BY SURPLEX: Collection by a haulage company or dispatch by a parcel service. After the purchase has been made, the buyer will receive a receipt from Surplex confirming receipt of the goods with signature and stamp. Surplex will then need this document (copy of the original) back.</p> <p>2) ORGANISED & COMMISSIONED BY BUYER:</p> <p>2.1 Collection by haulage company - transport as direct delivery The following must be available for a refund (copy of the original): Completed CMR consignment note</p> <p>2.2 Collection by haulage company - transport in consolidated goods The following must be available for a refund (copy of the original): - Written haulage company certificate with all relevant information (loading address, transport date, etc.)</p> <p>2.3 Dispatch by a parcel service The following must be available for a refund (copy of the original): - Parcel label AND complete consignment history AND delivery receipt from the parcel service</p> <p>3) SELF-COLLECTION WITH OWN CAR/LORRY (not by commissioned haulage companies or parcel services). The buyer comes in person for collection or sends an employee/authorised representative. The following must be available for a refund (copy of the original): - For collection by the buyer himself: written declaration of the buyer on the transport of goods to the rest of Community territory at the place of loading - For collection by an employee/authorised representative: written power of attorney from the buyer that the authorised representative may act on its behalf AND a copy of the authorised representative's identification for documentation purposes. Both must be submitted to the loading point before collection.</p>
Origin & Preferences:	Please note that we cannot normally issue certificates of origin and preference documents, such as EUR-1, or declarations of origin on the invoice for the items in the auction, as the previous documents required by law are not available to us. The unauthorized issue and use of preference documents is considered tax evasion or of aiding and abetting tax evasion.
CE Certificate & EU Conformity:	Please note that not all items in this auction come with EU certificates of conformity and CE certificates. In exceptional cases, missing EU certificates of conformity or CE certificates may be requested for individual heavy machines. The costs incurred will be charged to the buyer.
Exclusion of warranty: Customs declarations:	<p>All assets are used and will be sold "as is, where is". No warranty or guarantee on any asset!</p> <p>If the Surplex GmbH is the legal exporter as per customs law, all export declarations are to be issued in the name of Surplex GmbH. The issuance of export declarations in the name of Surplex GmbH is done by Surplex GmbH itself only or by an authorized representative which has to be nominated by Surplex itself. The issuance of export declarations in the name of Surplex GmbH by third parties without authorization of Surplex (e.g. customers freight forwarder) is prohibited.</p> <p>Should permits be required under Article 3 et seq. of Regulation (EU) 2021/821 (Dual-Use Regulation) or under national law for the export of auctioned items, the buyer shall bear all costs incurred for delays caused by the transmission of the relevant documents and the obtaining of permits. This also includes possible costs for relocations and temporary storage.</p>
Dismantling/Collection:	Unless otherwise stated, the buyer is responsible for the dismantling, packaging and collection of the purchased items. The collection of purchased items is only possible at the specified collection times. After the stated collection period has elapsed, demurrage of EUR 50.00 per day (plus VAT) will be charged. Collection supervision costs will also be payable.
